InGenesis receives Beaumont contract

El Paso Times Staff
Article Launched: 06/07/2008 12:00:00 AM MDT

InGenesis Medical Staffing has been awarded a \$7.7 million contract to provide medical coding services for the patient administration division at William Beaumont Army Medical Center.

The San Antonio company Friday announced that the contract begins this month and continues for through 2012.

"We are pleased the Army chose InGenesis to staff this important Department of Defense medical facility with our professional medical coding employees," said Veronica Edwards, president and founder of InGenesis.
